About the property

Set in the charming village of Freshwater bay, a short stroll from the picturesque cove itself, this one bedroom apartment is a perfect purchase for anyone looking for a first home, buy to let, second home/holiday let or simply downsize and make use of this fabulous spot.

Situated opposite the beautiful St Agnes Church, the property is a short stroll from the beach, touching distance of the Piano Bar and Orchard Bros green grocer, whilst also being within easy access to Tennyson Down and more.

Offered to the market with off road parking at the rear, the property is situated on the first floor with communal access. A characterful building from the kerb, the property internally makes for good space in a one bedroom apartment as it also offers a loft room too. The property does require some TLC but offers the next purchaser plenty of potential too.
