About the property

Set in the historic village of Brading, this two bedroom bungalow comes to the market, chain free and in a quiet and tucked away position. In need of some TLC, the property offers plenty of potential with a good level of outside space too.

Brading offers excellent village amenities from a primary school to restaurants, pubs and a traditional Fish and Chip shop to name but a few. The outdoor possibilities here are often considered the villages' most redeeming feature, from the RSPB protected Brading Marshes to the stunning downland at the north western end of the village.

Good sized gardens both front and back, the property also enjoys a green and pleasant outlook at the rear, which gives privacy and a level of tranquillity in this quiet spot. The internal space includes two bedrooms, lounge, kitchen and a conservatory.

Offered to the market chain free, this is a superb option for anyone wanting a home on one level that they can make their own.
