About the property

Charming Three-Bedroom Period Home in Fishbourne – Chain Free!

Nestled in one of Fishbourne's most desirable roads, this attractive period property presents an excellent opportunity for those looking to create a beautiful family home by adding their own style and modern touches. Offered to the market chain free, it combines character, potential, and a highly sought-after location.

Inside, the ground floor features two well-proportioned reception rooms and a kitchen, providing flexible living and dining spaces. Upstairs, you'll find three bedrooms along with a family shower room. While the house would benefit from some TLC and modernisation, it retains plenty of charm and offers a blank canvas for refurbishment.

Externally, the property enjoys both front and rear gardens. The long, private rear garden is ideal for families, gardening enthusiasts, or those who simply want a peaceful outdoor retreat. The front garden, subject to the necessary planning consents, could potentially be transformed into off-road parking.

The house also benefits from an enviable location – just moments from the Fishbourne Ferry to Portsmouth, making it perfect for commuters or those who enjoy easy mainland connections. Local amenities include the popular Fishbourne Inn, the historic Quarr Abbey, and a wealth of countryside and coastal walks right on your doorstep.

This is a wonderful opportunity to secure a period home with fantastic scope in a sought-after Isle of Wight village.
