About the property

A charming period property, this well sized 4 bedroom character home is perfectly placed for convenience into the town and beach whilst also offering driveway parking. It's a spacious, well maintained and homely property which is perfect as both a family home or perhaps if you are lucky enough to own a holiday home too.

Within a short stroll, you can be amongst the shops, cafes and pubs of the High Street or a touch further on, you can be down on the golden sandy beaches. There are excellent transport links including the Island Line trains or the popular Southern Vectis bus services which operate in walking distance. Failing that, those with a vehicle will find driveway parking here an added bonus.

A handsome house from the kerb, the home doesn't disappoint inside either. The property boasts many original features and offers plenty of characterful aspects. There are two reception rooms on the ground floor and a modern fitted kitchen with downstairs WC. There are 3/4 bedrooms on the first floor with an en-suite to the master and family bathroom to suitably cater the rest of the home.
